

Mr Markey gave notice of Motion for this day, fortnight

That the system pursued in this House with regard to the male youth of fifteen years old and upwards is attended with the most worst consequence to themselves and the public, in as much as a want of knowledge from want of training incapacitates them from earning & their own Subsistence by agricultural labour and thereby makes them a permanent charge on the Rates Resolved that in order to remedy the grievance the Guardians of this Union do take a piece of Land as convenient as possible and employ the able bodied paupers thereon which will be attended with the following Salutary result It will train the youth in useful and industrious habits and will act as a check on the able and lazy from seeking admission to the Workhouse

Moved by Mr Markey Seconded by Mr Thunders That Pat Gough the contractor for building the walls & gates, be paid forty pounds on account paid Moved by Mr Maher Seconded by Mr Roark That the paupers get a meat dinner on Christmas day and that Mr Mullen be authorised to buy as much beef as required paid
